3. BUSINESS PERMIT

All Enterprises are required to secure a Business License and Mayor's Permit, and pay business taxes before the start of commercial operations. The license must be renewed from January 1-20, every year. Penalties are imposed after this period.

Business taxes for new enterprises are based on capitalization. Those for succeeding years are computed as a percentage of gross receipts/sales. Payment may be made annually, semi-annually or quarterly. Taxes are due on the first 20 days of each quarter. It takes a minimum of 1 day to process new applications. This already includes the requisite inspection and clearances from various offices and government agencies.

Renewal of licenses may take 15-30 minutes depending on the results of verification made by Local Revenue Collection Officer. Verification determines whether an applicant still has to secure clearances from various offices. Processing of licenses for these applicants will take approximately 1 hour.
